

Article 6 Adopting M.G.L Ch. 138 Sec. 12D

To see if the Town will vote to adopt General Law Chapter 138 Section 12D relative to authorizing the types of alcoholic beverages to be drunk on premise.

Sponsor : Select Board

Commentary : Accepting of this statute would allow on-premise consumption license holders to “upgrade” their beer and wine license to include liquor. It would not increase the number of licenses available and would only apply to current licenses of this type. If the business is sold, the license returns to beer and wine only. There is one such license currently in Town. Acceptance of this statute would create an opportunity to apply for an upgrade for that business, but not an obligation to apply.

Select Board Recommendation : Favorable
